Dear Brothers and Sisters;

On behalf of the Florida Carpenters Regional Council (FLCRC) and Carpenters Local Union 702, I sincerely welcome those former members of the Mid-South Regional Council who reside in the Florida panhandle.

My name is Randy Page, and I am the FLCRC's North Florida Area Manager, as well as Council Representative for LU 702, which is based in Jacksonville. We are honored to welcome you into our Union family.

We understand the uncertainty, questions, and concerns that naturally surface when UBC members are moved from one Local or Regional Council to another. Please know that I personally assure each and every one of you that we will do everything in our power to make your transition as smooth and effective as possible. Our highest priority as we move forward is to keep all lines of communications open. That said, Carpenters Local 702 staff and I are consistently available to answer any and all questions you may have.

There are many ways to reach us. The first is by calling the LU 702 offices at 904-387-4471. Feel free to speak with Council Rep Joseph Stevens, Office Manager Debra Rigdon, or me. If you have a training question, please contact North Florida's Training Coordinator, Billy Campbell, at 904-388-3972.

There is also extensive information about our Council on our website, www.FLCRC.org, and the Council's training website, www.FloridaCarpenters.org. We also operate facebook, twitter, and linked-in pages, where information is also posted.

Please know that we are here and ready to you get settled into your new Union home. Working together, we will succeed in making this transition as smooth as possible.

We all look forward to working with you, and please don't hesitate to reach out for whatever you need.

Fraternally,

Randy Page
